

# 2019 Class Scheduling Form

~

## Lift Maintenance – Lift Operations Training Documentation

Use this form to schedule your classes and **document employee training** at the RMLA 2019 Spring Conference.

Attendees and supervisors should consult their area's training program requirements to choose the appropriate classes and training. At the end of each class, an attendance label will be available detailing the class attended to be attached to this form as a record of training. Colorado Mountain College is offering **1.2 CONTINUING EDUCATION UNIT**. See requirements on separate CEU Registration Form.
